Manage My Health puts you in control

Manage My Health has made it simple and easy for you to take care of your health, so you can live well and enjoy more of life with your friends and family.

Access your clinic online anytime, anywhere through our secure portal. Utilize powerful health tools and resources to enhance your well-being and track your progress effortlessly. Registering is quick and simple —you'll be set up in minutes. Built on a cutting-edge platform and trusted by over 1.75 million Kiwis, it's now available in Australia.

Book appointments
Save time by easily booking appointments (In-person, phone or video) online with your healthcare provider

Lab test results
View your lab test results as soon as your doctor receives them, directly through your personal health platform

Access your health records and information
See all your recent medical conditions, immunisation records, allergies, and prescriptions at a glance and access curated health content to improve health literacy.

Make payments online
Make payments for video consultations, appointments, and repeat prescriptions in real time

Repeat prescriptions
Never miss your medication requirements again, order your repeat prescriptions directly through the portal
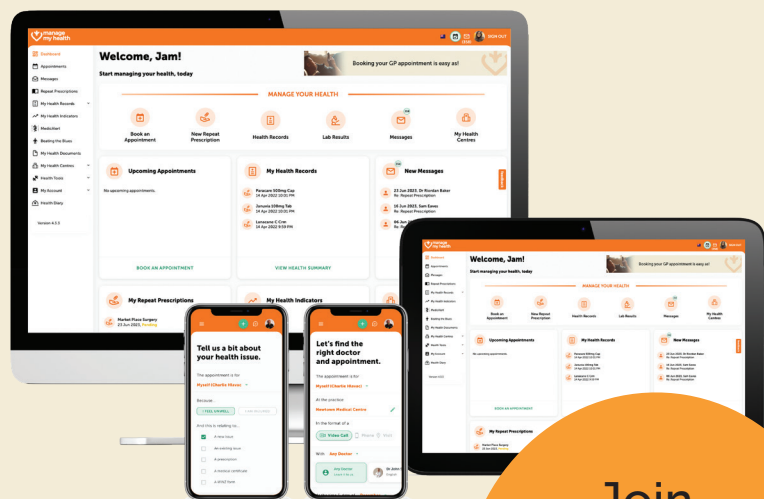

Video consultations
Easily connect with healthcare professionals using our high-quality virtual consultation software.
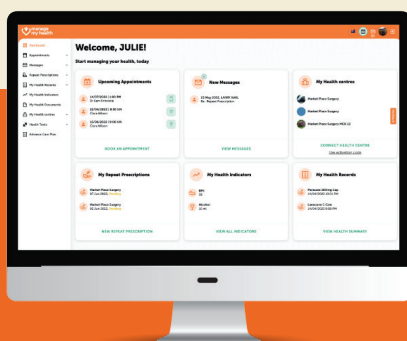

And many more ...
